Dan,
RST 3 is requesting your concurrence for the one week rental (12/12/2016 through 12/16/2016) of the following groundwater sampling equipment to be utilized during the groundwater sampling event at the Canadian Radium Assessment Site under TDD 0007-0023: one 2" Grundfos pump, one controller box, one Honda 2000 generator, one 12 volt battery, and one 100 foot solinist water level meter; and the purchase of 150 feet of 3/8" Teflon tubing. If you agree with this rental request, please email Shawna Hoppe and myself so a TDD in the amount of \$504.51 can be issued.

Shawna,
Upon Dan's approval of this equipment rental request please be advised that a new equipment TDD will need to be created for the assignment as no equipment TDD is currently open for this assignment to date.

Thanks,

Timothy Benton, CHMM
